

# MUHAMMED SAVAD

MERN STACK DEVELOPER

## PROFILE

I am a self-taught MERN stack developer with a passion for web development. I have a strong understanding of modern web development technologies and frameworks, and I strive to stay ahead of industry trends. I have a keen eye for detail and I am able to quickly and effectively analyze and solve technical problems. My experience with the MERN stack has been instrumental in developing my skills and expertise in full-stack development.
